THE TIMES.

FARMVILLE.

The March term of our Circuit Court which began on Monday is one of unusual interest. The criminal docket is a formidable one for Prince Edward and the list of damage suits is unprecedented.

Our local lawyers have had long play time and it is time for school to begin.

The Tidewater and Western is doing a large and growing business. In the timber through which it passes the demand for cars cannot be promptly supplied, while the freight from Farmville is breaking all records. Farmville has $50,000 invested in this road and of course feels keen interest in its success.

News from Mr. A. E. Cralve, who is still in Baltimore, for treatment, is of the most favorable kind.

Judge Hundley is expected to return from Richmond in a short time entirely restored to health.

Mrs. W. W. Jackson and Miss Rosalie Williams were in Richmond shopping several days of last week.

Miss Mary Jackson, who is teaching this session at Arvonia, has been at home on a brief visit.

Reports from our girls teaching in different states of the Union give good accounts of the noble work they are doing.

Everybody has been vaccinated and everybody is well again.

The Presbyterians expect to spend $5000 on church improvements, the work to begin in June. They hope to have an up-to-date pipe organ. Watch Farmville grow.

Go where you may and on your return to this town you will be driven to the conclusion that the building of the First National is one of the most attractive in the state.

The Armour meat is beginning to invade our market in formidable array. Our forefathers hardly anticipated that our fresh meat would have been sent to us from Chicago and fresh (?) cakes from New York Times change and men change with them.

Rev. Dr. Hatcher drew immense audiences when he preached at the Baptist church recently.

Mr. N. B. Davidson insists upon it that more of us need go to New York in search of seasonable and fashionable goods, as he has been there supported by expert artists and selected the very best that could be had.

We will be forced to import the "olive wreath" from Richmond to infuse some life into our municipal campaign. Now that the time has been fixed for our Congressional committee to outline the plan of battle we may expect early and sharp firing all along the line. The quartette ought to make stirring music.

Miss Carrie Morton is having the trip "of her life" out in the far west. Her letters from California have the aroma of the flower gardens about them, though it is right difficult to take in the thought that she is enjoying a mid winter dip into the waves of the Pacific while we are concerned as to the coal and wood supply. Great is America land of perpetual summer and perpetual winter, land of never-fading flowers and of never-yielding frost.

Mrs. R. B. Tuggle entertained the "Chaffing Dish Club" very pleasantly on last Thursday evening.

The Ladies Mission League of West Hanover Presbytery will be in session here on the 27 and 29 of this month, and an attractive programme for the occasion has been arranged.

Our farmers say that "organization" has already done much for them and will do even greater things. They can win if they will.

Our respected fellow townsman, Mr. W. H. Richardson, is still discouraged as to his failing eye sight. Experts have given no relief and he is not hopeful of any improvement. His has the tenderest sympathies of a host of friends in his affliction, and kindness can be appreciated by the dumb and felt by blind.

Our Normal teachers are enthusiastic pedestrians and skip over our hills and across our meadows with charming grace and genuine comfort. Prof. Mattoon and Mr B. M. Cox, of the Normal staff have been visiting Prof. Jones in New York City and taking in the sight of the great metropolis.

Vanner.

We are sorry to hear of the sickness of B. H. Woodson of near here.

Dr. E. E. Walker is back at Pamplin again much to the delight of his many friends.

Mr. B. T. Rosser visited his family in Lynchburg Saturday and Sunday.

Miss Beulah Baker was the guest of her cousin Miss Mattie Baker of Madisonville Sunday.

Mr. and Mrs. W. H. Rosser were the guests of his mother and father in Lynchburg last week.

Mr. Neal Carwile and family were guests at Mr. Winn Driskills near Darlington Heights on Sunday last.

Good many attended services from this place at Spring Creek Sunday a. m.

Mr Charlie Rosser was on the sick list week, but is much better at this writing.

Mr. Irving Baker who has been suffering with rheumatism is much improved.

C. B. Burhans Testifies after four years.

C. B. Burhans, of Carlisle Center, N. Y., writes: "About four years ago I wrote you that I had been entirely cured of a severe kidney trouble that, taking less two bottles of Foleys Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or blatter trouble."

L. E. Smith, Appomattox; W. B. Woodson, Concord; W. C. Nowlin, Spout Springs.

A man at Richmond Va., has found his third wife by advertising he may decide later on that it does not pay to advertise.

Champion Liniment for Rheumatism.

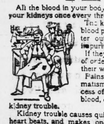
Chas. Drake, a mail carrier at Chagrinville, Ohio., says: Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder. After trying several cures the store keeper here recommended this remedy and it completely cured me. There is no use of anyone suffering from this painful ailment when this liniment can be obtained for such a small sum. One application gives prompt relief and its continued use for a short time will produce a permanent cure.

For sale by J. R. Atwood, Appomattox; R. J. Carter, Prospect; E. F. Glover, Evergreen.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.



The kidneys are your blood purifiers, they filter out the waste or impurities in the blood.

If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidneys.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N.Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE MATTER WILL COME RIGHT.

Oh do not be down hearted,
Though many on you frown,
From loved ones sadly parted—
Oh be not cast down.
Beyond the cloud's great thickness
Is the "silver lining's" light,
And out of all the darkness
The matter will come right.

When hearts are sad and weary,
And cares oppress us sore
Life seems not worth the living.
We know not friend from foe—
All pass us by so coldly
That day is dark as night.
Take the matter boldly
And it will come all right.

There are joys for ev'ry sorrow
There's sunshine in our way,
Bright will dawn the morrow,
Though dark the clouds to-day.
Then gladden those around you
With love and joy light
Though shadows may surround you.
The matter will come right.

Buckingham.

Rev. J. J. Spencer has been ill at his home here and his children, who came to be with him have returned home as his condition is much improved.

Mrs. R. E. Spencer has been sick in Richmond and was visited professionally by Dr. J. B. Nowlin.

Mr. J. H. Fitzgerald has been quite sick for a week and was attended by Dr. G. L. Morris and at last report was improving.

Mrs. Chas. Denton has been sick and in one of the Richmond hospitals. This ends the sick list for the present.

Mr. and Mrs. Chas. D. McCraw entertained a number of students from the high school at their home on the 22nd.

Dr. T. H. Lacy (P. V.) will hold special services in Mayville on Tuesday night the 24th and Wednesday the 25th of April.

Misses Ruth Oliver, Jessie Trent and Bessie Patteson are boarding in town and attending the high school.

Virginia L. Wilson the assistant in the colored school here will attend the summer session at the Peterburg Normal school.

Mrs. Williams, of Charlotte C. H. has returned home after a short stay with her sister Mrs. G. L. Morris.

Mr. Boon Sprouce, a son of the late W. H. Sprouce, has come home, after having seen service in the Philippine Islands, with the United States forces. He endures as little unpleasant momento of his sojourn in the east a bad case of rheumatism and he has made application to "Uncle Sam," to grant him a pension, which he doubtless deserves much more than many who now enjoy governmental aid.

The traffic in horse flesh has become quite lively and long money is being paid for good horses, while pugs are fetching anything from $50 to $100.

Judge Hundley is expected to hold the next term of our Circuit Court, beginning on Tuesday after the 2nd Monday in April. Parsons, the negro now in jail, charged with murder, will probably be tried at this term.

Judge Gordon is comparatively a stranger here but is favorably spoken of by those of his acquaintance.

A prominent lawyer here told me he had a case in Nelson court and Mr. Gordon was counsel on the other side and that he entertained him at his house on his way to court, went back there, and although the Buckingham lawyer won his case, his manner and hospitality on th return trip did not vary and he said, "I tell you we will have a fine Judge." We hope so, and we will also give up a good judge. Judge Hundley will give up Buckingham with a feeling of regret, as he had known the people here for forty years this being his county of adoption when he began the practice of law. In the dark days of negro rule young Mr. Hundley was one of the first to bear the standard of Democracy to success when he was elected State Senator from this district, living at the time at this place.

The inclemency of the weather on Monday last prevented my letter reaching this paper in time but it will doubtless appear in this edition, and while I think of it I must correct an error. Mr. Addie Spencer, I wrote, was up and fed his team on Thursday morning (the day he died) but he was up and fed on Wednesday, the day before he died. One of the Richmond papers published a death notice of "Miss Eddie Spencer." This was an error made, double s by the operator receiving the message by phone as there was no such person here as Miss Eddie Spencer and the writer evidently meant it for Mr. Addie Spencer.

As winter has returned in all her glory and we must put aside flowers and gardening for a while, will give you a few items from here.

Mr. and Mrs. J. H. Guthrie spent Sunday with Mr. Forrest Guthrie. They will leave in a few days for their new home in Richmond when we will be sorry to give them up.

Mr. Forrest Guthrie has been quite unwell for a few days but is much better now.

The Rosney school, taught by Mrs. Julia Kyle, closed on the 21st with the following program:

Two Wishes—Tom Huddleston; Evening—Forrest Huddleston; The Orphan Child—Katie Huddleston; Three or Six—Knight Kyle; Now I Lay Me Down to Sleep—Mary Hardiman; The Last Hymn—Lucy Hardiman; Up Drunk My Last Glass—John Hardiman; St. Peter at the Gate—Mary Hardiman; Burlesque on Matrimony—Lucy Hardiman; Negro Prayer—John Hardiman.

The children did one for which they and Mrs. Kyle deserve great credit. After the recitations the child en had a fine treat consisting of all kinds of confectioneries, after which their teacher gave them a good lecture and dismissed them. Several of the parents of the children and many friends attended and enjoyed the evening very much.

The Railroad Company has built a shed at Rosney for the accomodation of its passengers.

The farmers are getting on fairly well preparing for crops, but the snow will delay the work for a while.

We are glad to hear of Mr. J. J. Spencer's improvement.

Arcanum.

Mrs. E. J. Steger still continues very ill at her home near here. All her children save Mrs. Davidson of West Virginia, are at her bedside, and Dr. Anderson of Farmville is in almost daily attendance on her.

Willie J. Spencer, Jr., now of Scarboro, W. Va. will on Wednesday 28th wed Miss Lizzie, eldest daughter of Mr. H. O. Baldwin of Sheppards and take her with him to adorn his mountain home. The marriage will be at 9 a. m. at the bride's home. Mrs. H. Glen Hebditch of Knoxville Tenn (sister) and W. M. Spencer of W. Va., brother of the groom, will be in attendance. Of the girls and boys who will "wait on" the couple this scribe knoweth not, but will give this news "after the ball."

Orino Laxitive Fruit Syrup stimulates the liver and throughly cleanses the system and clears the complexion of pimples and blotches. It is the best laxative for women and children as it is mild and pleasant, and does not gripe or sicken. Mrs. Martha Franklin is sick.

Mr C. W. Beasley has gone to Bedford City, where he is engaged in business.

Mr. L. S. Ferguson is out again after a long spell of rheumatism.

Bent Creek.

Your last issue comes to us laden with so much news from correspondents that I feel it is time I too was sending some items.

There is right much sickness in the community at this time. Mrs Willie Beal is quite ill at her home near Tower Hill.

Mr. J. H. Wood and family, who have been sick, are improving.

Mrs. Mary A. Dixon and little grand daughter, Florence, who have been sick, are both considered better by their physician.

This community was saddened when the news reached here Saturday that Rev. J. J. Spencer, of Buckingham C. H. was seriously ill at his home. Mr. Spencer has many warm friends in this neighborhood, who regret very much to hear of his illness.

Mr. R. M. Brown, of Oak Ridge, was the guest of Mrs. Mary A. Dixon last Saturday and Sunday.

Miss Jean Taylor is teaching the Bent Creek school at this time. There was considerable trouble in supplying the school, but we think the right one has it in charge now.

Madam Rumor has it that one of our popular widowers paid a visit to Scottsville on the 10th, but that he was too bashful to get a ticket going west so he procured one going east as far as Lynchburg and then turned and went back as far west as Scottsville. The writer thinks that bashfulness is a fault not often had to them and I venture to say that if there was the case once it will not occur again.

Hixburg.

The school here taught by Miss Mary Foster is progressing nicely, having twenty-three pupils enrolled.

Quite a large crowd assembled at the church last Sunday evening to hear Rev. Mr. Hart.

We are glad to say that Mrs. W. D. Hix is convalescent.

On last Wednesday evening the faint rays of the departing sun sent its golden gleams of brightness over hill and vale. Peace and quiet reigned supreme when suddenly a cloudless storm burst with all its fury on the home of Mrs. J. H. McCue. The young men and fair maidens poured in one continuous throng from all directions. Peal after peal of merry laughter reverberated through the house echoed only by the sound of hurrying feet as they willingly tripped the light fantastic to the melodious strains of the violin, guitar and harps. Occasionally, as the dancing ceased for an instant, could be heard the sound of the 'carrom and crokinole' men as they cheated each other in rapid succession, hurled by the hand of some fair opponent eager to win the contest.

Myriads of stars studded the Heavens gleaming like so many jewels on the brow of night, peeped from behind the canopy in which they were enfolded and added redoubled splendor to the scene within. While games, dancing and other amusements were in progress a signal was given summoning all to the dining room where refreshments were served, consisting of jellies, cakes, lemonade etc., which had been previously prepared by Misses Jennie and Estelle Swann and Rosa Davis, to whom is due the credit of the 'surprise party.' Surely they should receive the appellation of 'Athene,' as nothing was forgotten which would promote the happiness of those present. We are also indebted to Messrs. Hix and Gilliam for a nice box of confectionaries which was enjoyed by all. Cupid was present during the entire evening and buried his arrows with unerring accuracy into the hearts of many.

Among those present were Misses Mary Gray Foster, Colyer, Estelle and Jennie Swan, Rosa Davis, Leah, Lizzie and Georgia Coleman, Inez Chick and Vernelle Price. Messrs. Sears and Tom Hix, Otis Gilliam, Tommie Coleman, Harry Davis, Aubrey Warriner, Milton, Wiley and Baxter Wilkerson, Frank Cawthorn, Ray Young, Thomas McNally, B. Chick, Ernest Foster, of Cumberland, Master Loyd Coleman and Mrs. Walter Payne in the 'wee-sma' hours of the night they bade their hospitable host and hostess a reluctant farewell, and the hearty shake of the hand out-spoke a thousand eulogies while the lips made a feeble attempt to utter.

We would advise the young people earnest "vigils" keep as 'surprise parties' are quite prevalent in this vicinity.

Forest Store.

Messrs. Alex. Agee and Edward Foster of Cumberland were on a visit to friends and relatives here last week.

Mr. Davie Davidson of Richmond College is on a visit to his parents here. He is recovering from the mumps and will in a few days return to his duties.

Miss Mazie Wooldridge is on a visit to Richmond.

Someone knocked at the hospitable home of Mr. John Webb the other day and when they went to welcome the visitor who should it be but a young girl that had come to stay.

Miss Mary Fore, postal clerk at Georgel is progressing nicely and Miss Fore is indeed very popular.

Mr. C. E. Agee of Crewe is expected home soon. His brother, Leonard will fill his vacancy in Crewe.

Mrs. Mildred Ferguson we are sorry to note is quite sick, also Mrs. F. H. Franklin. They are attended by Dr. Alsop, of Prospect.

Falling River.

To day is a pretty wintry day, raining and freezing.

Mr. Hubble preached a good sermon at Central church last Sunday to a large crowd.

Falling River school closed last week. The closing exercises were held at the school house last Friday p. m. The children had had a poor chance to practice for it, owing to sickness and inclement weather, but they did excellent.
